FARMALINX

**RoDi****PELLETS****STORAGE AND DISPOSAL**

Containers which have held bait should not be used for any other purpose. Store in original container, tightly closed in a safe place out of reach of children. Dispose of empty containers and unused or untaken bait by burying in an approved dump. Look for dead mice and rats – burn or bury them, do not place in refuse bins or rubbish tips. Inspect all bait stations regularly and ensure baits are removed when rodent activity has ceased.

**SAFETY DIRECTIONS**

Poisonous if swallowed. DO NOT inhale dust. DO NOT touch bait, use scoop or measure. If on skin and after each baiting, wash thoroughly with soap and water. Vitamin K1 (Phytomenadione) is antidotal.

**FIRST AID**

If poisoning occurs, contact a doctor or Poisons Information Centre. Phone Australia 13 11 26. Vitamin K1 (Phytomenadione) is antidotal.

**NOTE TO PHYSICIANS AND VETERINARIANS:**

Brodifacoum is a long lasting anticoagulant. Vitamin K1 (Phytomenadione) should be administered urgently by medical or appropriate para-medical personnel. If administered intravenously the injection must be given slowly. The active constituent of Farmalinx RoDi Pellets is an anticoagulant chemical, which if accidentally taken by humans, domestic animals or pets, can reduce the clotting power of blood and haemorrhage may result.

**MATERIAL SAFETY DATA SHEET**

Additional information is listed in the material safety data sheet (MSDS). A material safety data sheet for FARMALINX RoDi Pellets is available from FARMALINX Pty Ltd on request. Call Customer Service on 02 9389 2455.

**NOTICE TO BUYER:** Seller warrants that the product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use. No warranty (other than non-excludable statutory warranties) of merchantability or fitness for a particular purpose, express or implied, extends to the use of product contrary to label instructions, or under off-label permits not endorsed by Farmalinx Pty Ltd or under abnormal conditions. FARMALINX Pty Ltd accepts no liability for any loss or damage arising from incorrect storage, handling or use.
